

Employment Resources in RTP

If you're looking for a job in the RTP area, CED has compiled a list of resources just for you! In addition to using national job boards (indeed, monster, etc), we recommend utilizing local, industry specific job boards as well as attending networking events to meet people in your field. To utilize these groups most effectively, we recommend visiting these websites, signing up for newsletters and attending events.

Job Boards

- **Work in the Triangle** (www.workinthetriangle.com): Under the *Work* tab job seekers can find information about job openings, companies in the region, employment facts and more.
- **North Carolina Technology Association (NCTA) Jobs Board** (www.nctechnology.com): The NCTA Jobs Board, found under the Jobs tab on the homepage, is a comprehensive and up-to-date listing of current job opening in North Carolina's tech industry.
- **Downtown Raleigh Alliance (DRA) Jobs** (<http://www.godowntownraleigh.com/at-work/jobs-downtown>): The DRA is a non-profit focused completing on downtown Raleigh and building its resources and connecting its businesses and residents.
