

ExtensisHR PEO

Business leaders face new challenges every day – HR shouldn't be one of them. Let us handle your increasingly-complex HR requirements so you can focus on what matters most – achieving operational efficiencies, core business activities, and growing your bottom line.

As one of the nation's largest Professional Employer Organizations (PEOs), ExtensisHR helps provide and administer world-class benefits, reduces the complexity of being an employer, and minimizes employment risk. Everything we do is tailored to your success and needs. Starting with our hassle-free implementation process designed to create a seamless onboarding experience, to our full-service account management and deep expertise across all aspects of HR, we work tirelessly to guide our customers along every step of their HR journey.

ExtensisHR's PEO solution is designed for:

White-collar companies with 10-150 Employees

Lean HR teams needing HR administration and compliance support

Start-up businesses looking for a flexible HR solution

Businesses who want configurability in a cost-effective HR solution

Smaller companies requiring comprehensive solutions from a single vendor partner

ExtensisHR's PEO solution offers:

- Full-service and proactive account management
- Dedicated customer engagement and professional support staff
- Personalized analysis of your current HR practices
- Tailored solution based on your specific needs
- Access to deep expertise in HR disciplines and regulatory complexity
- Payroll and tax administration
- Benefit planning and administration
- Risk management and compliance services
- Tailored recruiting services and support
- And more...

Choosing a PEO model doesn't mean sacrificing personalization or great service. It means you have access to a strategic partner who cares about your HR success and knows how to help you create an elevated employee experience.
