## TECH VENTURE CONFERENCE

September 15-16, 2015 | Raleigh, NC | [www.cednc.org/techventure](http://www.cednc.org/techventure)

At the **CED Tech Venture Conference 2015**, engage with industry leaders, radical thinkers, and trail-blazing entrepreneurs on the disruptive innovations that are transforming the way in which we live, work, and play. Meet the most exciting emerging technology companies in North Carolina and learn what the future holds for digital health, mobile, marketing tech, IoT, artificial intelligence, and advanced materials.

The **CED Tech Venture Conference** attracts over 800 entrepreneurs and high-growth companies, venture capitalists, corporate BD, angel investors, corporate leaders and domain experts from across the nation.

Key elements of the conference include:

- A company showcase and demo room featuring over 50 early and growth stage tech companies
- Industry-focused content and advice for entrepreneurs
- Inspiring keynote speakers and interactive discussions from industry leaders
- Investor-only exclusive events

**Past Speakers include:**

**Steve Case**  
CEO, Revolution LLC;  
Chairman, Startup America  
Partnership
